ORDER

Made Under

THE MUNICIPAL AND DISTRICT COUNCILS ACT

(Cap. 28:01)

IN EXERCISE OF THE POWERS CONFERRED UPON ME BY SECTION 34 OF THE MUNICIPAL AND DISTRICT COUNCILS ACT, I MAKE THE FOLLOWING ORDER:-

1. This Order may be cited as the Mabaruma Town (Constitution) Order 2015.

2. The portion of Guyana in the County of Essequibo the boundaries of which are set out in the Schedule is established as a town to be known by the name of “Mabaruma”.

3. The town council for the town of Mabaruma shall be a body corporate and shall have the name of “The Mayor and Town Council of Mabaruma” (hereinafter referred to as “the town council”).
4. The town council shall consist of the Mayor, the Deputy Mayor and not less than ten nor more than fourteen other councillors.

5. The town council shall have power to do all or any of the things specified in section 302 of the Act.

6. The town council shall have and use a common seal which shall be approved by and may be altered by the council and which shall be judicially noticed.

7. The town council may in each year, with the approval of the Minister appropriate out of the funds of the council a sum to be utilised for the remuneration of councillors other than travelling and subsistence expenses incurred in the course of duty and may, with approval, determine what sum shall be payable to each councillor.

8. There shall be for the town council the following local government officers, namely –

(a) a town clerk;

(b) a municipal treasurer;

(c) a clerk of the market;

(d) a superintendent of works; and
(e) such other officers as the council deems necessary for the
performance of its functions under the Act, the Public
Health Ordinance, or any other law.

SCHEDULE

BOUNDARIES OF THE MUNICIPALITY of MABARUMA

The municipality of Mabaruma is bounded on the NORTH:

From the mean low water mark at the intersection of the Mururuma River with the mean low water mark of the left bank of the Barima River; and extends thence eastwards along the mean low water mark of the left bank of the Barima river to its point of intersection with the shortest line extended across the Barima River from the talweg of the Bakrimanni creek at its intersection with the mean low water mark of the right bank of the Barima River.

And on the EAST:

From the point on the mean low water mark of the left bank of the Barima river which is the point of intersection with the shortest line extended across the Barima River from the talweg of the Bakrimanni creek at its intersection with the mean low water mark of the right bank of the Barima River; thence along the mean low water mark of the said left bank of the Barima river to its intersection with the mean low water mark of the left bank of the Aruka River, thence along the said mean low water mark of the left bank of the Aruka River to its intersection with the mean low water mark of the left bank of the Koriabo River.

And on the SOUTH:

From the point of intersection of the mean low water mark of the Aruka River with the mean low water mark of the left bank of the Koriabo River; thence along the mean low water mark of the left bank of the Koriabo River to its intersection with the mouth of the Wanaima Creek.

And on the WEST:

From the point of intersection of the mean low water mark of the left bank of the Koriabo River with the mouth of the Wanaima Creek; thence along the talweg of the said Wanaima Creek and then along a line extended from its closest point to its intersection with the southeastern most point of the Tobago Amerindian Village to the said point, thence along a line prolonged from
the southeastern most point of the Tobago Amerindian Village to the closest point of the Bunbury Amerindian Village, thence proceeding easterly along the boundaries of the Bunbury Amerindian Village and its prolongation in a northerly direction to the northeastern most point of the Tobago Amerindian Village, thence its prolongation to a point being the source of an unnamed tributary of the Mururuma River, thence along the talweg of the said unnamed tributary to its intersection at its mouth with the mean low water mark of the Mururuma River, thence along the mean low water mark of right bank of the Mururuma River to its point of intersection with the mean low water mark of the left bank of the Barima River.

Made this 21st day of October, 2015.
